**Notes to Financial Statements  
For the Period Ended June 30, 2006**

## **NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The Thirty-Fifth Judicial District Indigent Defender Board was established under the laws of the State of Louisiana in order to provide legal representation for indigent people involved in criminal proceedings. The Board receives fees and other costs, which are assessed from persons participating in the judicial process. The Board may also receive fees from indigent defendants, whenever the District Judge determines that fees of this nature are appropriate. The Board is governed by three (3) members who are appointed by the District Court. The Board Members serve without compensation.

The accompanying policies conform to generally accepted accounting principles for governmental units.

### **Financial Reporting Entity**

Governmental Accounting Standards Board (GASB) Statement No. 14 established criteria for determining which component units should be considered part of the financial reporting entity. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

1. Appointing a voting majority of an organization's governing body, and
  - a) The ability of the reporting entity to impose its will on that organization and/or
  - b) The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the reporting entity.
2. Organizations for which the reporting entity does not appoint a voting majority but are fiscally dependent on the reporting entity.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Based on the criteria presented above, the Board is a component of the Thirty-Fifth Judicial District Court. The accompanying financial statements present information only on the fund and account groups maintained by the Board and do not present information of the Thirty-Fifth Judicial District, the general government service provided by that governmental unit, or other governmental units that comprise the financial reporting entity.

## **Notes to Financial Statements For the Period Ended June 30, 2006**

### **Fund Accounting**

The accounts of the Board are organized on the basis of funds, which consist of a single general fund. The General Fund is the general operating fund of the Board. It is used to account for all financial resources.

### **Basis Of Accounting**

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when measurable and available as net current assets. Revenues are considered available if the revenue is collected within 60 days of the year-end. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Inventories of supplies are considered immaterial and are not recorded.

### **Use Of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **Budgets**

Budgets are adopted prior to the beginning of each year using the generally accepted basis of accounting. Furthermore, budgets are amended in the manner prescribed by state law.

### **Cash And Cash Equivalents:**

Amounts reported as cash and cash equivalents include all cash on hand, cash in bank accounts, certificates of deposit and highly liquid investments.

### **Compensated Absences:**

Personnel policy adopted by the Board does not allow employees to carryover material amounts of vested leave. As a result, no provision for compensated absences is included in the accompanying financial statements.

### **NOTE 2 - CASH AND CASH EQUIVALENTS**

These deposits are stated at cost, which approximates market. Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.
